

VALUE TOUR PACKAGES

Our packages include: campgrounds, additional side trips, classic entertainment, many meals and socials hosted by experienced leaders that you will enjoy well beyond the ordinary.

2-Way Radio Narration:
Communication with everyone while traveling down the road will enhance your tour and vacation of a lifetime.

Safety, Security and Peace of Mind:
There will be at least 10, no more than 20 RV's with a wagonmaster and a tailender. We stay with you, if you breakdown, we can help you troubleshoot a problem, find a garage, a part, a hospital, a veterinarian or any other caravanner needs. There is no fear of getting lost or being left behind.

Great Places: You will see places and have experiences you have always dreamed of. We see things that other RVer's drive by, because they do not know the area. We do!

REFERRED BY:

WHY YANKEE RV?

For 34+ years, over 7,000 RV'ers have traveled with us on our fun RV caravans in small groups averaging 10 - 20 rigs.

We don't do national advertising or catalog mailings. We pass these savings to our caravanners, which adds more value to our caravans and rallies. Our best advertising are the satisfied Yankee RV caravanners who are repeat customers and invite others to join in the fun, with Yankee RV Tours, LLC.

Join us on January 7 - 9, 2026 for our Annual Tour Presentations / Pre-Tour Orientation and Reunion. It's an opportunity to learn about all our offerings, meet fellow caravanners and the staff for a trip you are considering.
