

# 2026 Annual Tour Presentations & Reunion FACEBOOK LIVE SCHEDULE

At, Yankee RV Tours, we understand that not everyone is available to travel to our annual event. With that fact in mind, we stream our presentations “live” on Facebook.

Facebook Live lets us livestream our events on Facebook. Viewers can watch from a phone, computer or connected TV. Viewers will need to log into Facebook and visit our Yankee RV Tours FB page (the cover picture is the Yankee Staff.) The “live” feed can be viewed from here.

We will be going “live” at the start time of each presentation. The great feature about Facebook live, is the video will remain on our FB page for 30 days, for you to view.
